About the Winery

Through his many travels around the globe, Ernie has been exposed to and appreciated some of the world's greatest wines and in 1999 decided to pursue his developing passion for fine wine with the creation of Ernie Els Wines. Ernie fittingly chose Stellenbosch, the noble heart of South African wine, to base his operation.

Ernie's life has mirrored a passion for excellence, which has been clearly reflected in his exceptional sporting achievements. His focus, discipline and commitment have been the foundation of his success, and these factors are evident in Ernie's quest to produce premium wine.

With the help of award-winning winemaker Louis Strydom, they produced the maiden 2000 vintage of Ernie Els – a 'classic' Bordeaux blend. Since its launch, Ernie Els Wines has won plaudits and many prestigious awards around the world and the team continues to make a big impact on both the South African and international wine markets.

Tasting Notes

Dominated by citrus in its youth, the nose offers complexity with peaches, strawberries and fresh cream. A sprinkle of spice and a slight peppery edge contrasts the soft, creamy mouth-feel, while nutty and mineral notes gather further complexity. Medium-bodied and stylish, the palate ends with a long and dry, discreetly fruity finish.
